

COLLECTION OF EXAM RESULTS

Unable to collect your results on Results Day?

No problem. The options available to you are listed below.

Please circle your preferred option, fill in the form as appropriate and return to the Exams Office (or scan and return by email to exams@baccarras.gloucs.sch.uk) *before the last week of the summer term.* **Your signature is essential.**

Option 1	I would like to nominate (please insert name of nominee here) _____ to collect my exam results on Results Day. I understand that if s/he is not known to Baccarras School s/he is required to provide ID. (Your nominee can attend with the rest of the students collecting results or later that morning.)
Option 2	I would like my exam results posted to me and include a stamped addressed envelope.
Option 3	I would like my exam results emailed to me. Please use this email address: _____ I understand the results emails will not be sent on Results Day itself but on the following day. (Please note that your results will be emailed as soon as possible. It is a very busy few days. Contacting the school chasing results only slows the process down. Your cooperation is much appreciated.)
