

March 2019

Dear Colleague,

Teacher of Business

Thank you for your interest in this post. We are looking to appoint a new colleague who is well-qualified and able to teach Business across the key stages. The post is part-time (0.6) but there may be an opportunity to teach Economics and or Mathematics as a second/third subject, therefore the post could be full-time. We may also consider a different second subject option.

Business is our most popular option at GCSE and amongst our most popular at A-level. This reflects the consistently excellent teaching of the subject and the fact that pupils of all abilities enjoy it.

We are looking for someone who is well-qualified, passionate about teaching and enthusiastic about working with young people. The person appointed will make a significant contribution to the department's work, including at A-level.

Balcarras is an excellent place to teach. We have friendly staff, pupils who are keen to learn and supportive parents. We work in attractive buildings, superbly-equipped, on a beautiful site. We are both a teaching school and a maths hub, so professional development is one of our major strengths. The post is open to both experienced and newly-qualified teachers and you will be assured of an excellent induction programme if appointed.

I hope that having read all the details and perused our website you will be keen to apply. Please submit your application by Monday April 1st 2019, at 9am. Interviews will then take place on Wednesday April 3rd.

Yours sincerely,

Headteacher
