Dear Parent/Guardian

RE: KS3 Spanish Workbook

I am writing to inform you that each pupil who has opted for Spanish in Year 8 has been issued with a Grammar, Vocabulary and Translation Workbook. These will sometimes be used in class and/or for homework. All pupils are expected to look after their workbook and take it from Year 8 into Year 9. It provides not only an excellent source of study but will also be an excellent reference tool.

In the event that a pupil loses their workbook, they will be expected to purchase a replacement at a cost of £6.25

Yours faithfully

Head of MFL
