Unifrog tasks

Unifrog Events: webinars and virtual lectures on various topics eg *What is environmental health? Discover the career keeping us all safe, Artificial intelligence and legal rights: could AI be treated just like you and I?*

Universities: search for the same degree at different universities or see all courses at a university

Apprenticeships: search for apprenticeship vacancies

Personality Profile: complete the personality profile and see which careers might suit your personality type

What is Unifrog?

Unifrog is a one-stop-shop where students can explore their interests, then find and successfully apply for their next best step after school. It brings together every step of the process, from students exploring interests, to recording skills, to finding and comparing apprenticeship and university courses, to submitting applications.
