

Year 11 Careers Provision

Year 11 are thinking about their post-16 options and what subjects they wish to study.

To assist with this every pupil has a one-to-one interview with Mrs Lewis, our qualified careers advisor, in the Autumn term.

Pupils are also mentored by a staff member throughout the year to support their post-16 choices.

Please find below the careers calendar, a guide to the VLE and tasks pupils can do on Unifrog.

Careers Calendar Year 11	SEP	OCT	NOV	DEC	JAN	FEB	MAR	APR	MAY	JUN	JUL

Alongside this, various “weeks” are promoted throughout the school via posters, highlighting opportunities to staff and pupils and competitions including National Apprenticeship Week, Creative Careers Week, Green Careers Week, Work Experience Week.

Any apprenticeship, work experience and virtual events are also promoted through our VLE.

Year 11 Careers Provision

Careers VLE

Click [here](#) to explore the Careers VLE. Try the following pages:

- **Subjects:** have a look at each subject's page on the VLE, most have a section on the careers that they can lead to
- **Job of the Week:** short YouTube videos focusing on different careers
- **Morrisby:** Morrisby profiling helps guide students to make better choices about their future. We recommend this for pupils from Year 9 upwards who are really struggling with identifying their skills set and their future pathways.

2025-26 Events

GCSE Information Evening and Assembly: Thursday 11th September 2025

Careers Fair: Thursday 2nd October 2025

One-to-one Interviews with a Careers Advisor: Autumn term

Sixth Form Open Evening: Thursday 15th January 2026

GCSE Results Day: Thursday 20th August 2026

Unifrog tasks

Work Environments Quiz: learn more about the environments you enjoy and explore which careers suit your preferences best

Post-16 Intentions: record your intentions after GCSEs

Courses: Unifrog has a range of online courses students can take in three areas

- ✓ **Careers and virtual work experience:** Help students explore careers (eg 'How to start a business'), do virtual work experience (eg a course where students experience being an architect by designing a structure for animals), and develop career readiness skills (eg a course on how to behave in the workplace).
- ✓ **Subject tasters:** Give students an idea of what studying a particular subject is like, (e.g. a course giving students a taste of studying maths at university: 'The Size of Infinity').
- ✓ **PSHE and life skills:** Help students develop as people and citizens (e.g. a course on how to set goals and write plans).
