2025-26 Events

Mini Careers Fair:

Unifrog tasks

Skills: record examples of when you have shown some of the key 12 skills that universities and employers look for (*eg independence, creativity, numeracy, speaking, teamwork*).

Subjects Library: search the subjects library with your three favourite subjects and see which degrees come up

What is Unifrog?

Unifrog is a one-stop-shop where students can explore their interests, then find and successfully apply for their next best step after school. It brings together every step of the process, from students exploring interests, to recording skills, to finding and comparing apprenticeship and university courses, to submitting applications.
