How can parents help at hom	ne?				
found here as well as examples of pupils work and other supporting materials including extension work, tutorials, and links to useful websites. Help and advice can be given with regard to presentation and content of work, Has the pupil understood the task? Have they included all the elements required? Have they referred to assessment or success criteria? It is important that pupils are encouraged to demonstrate thought and care in their work regardless of their ability in order to make good progress. Parents/guardians can help by reviewing the work done, offering advice and support with further improvement.
