

Subject	Year	Term
Economics (macro)	Year 12	4, 5 & 6
Topic		
Revision, Exam Technique and End of Year Exams		
Content (Intent)		
<p>Prior Learning – The first three terms of the course introduce the syllabus as a whole, in order for students to come to terms with the relevant economics concepts.</p>		
<p>Content: Whilst students have been introduced to the necessary concepts, they will now look in greater depth at how the many concepts are interconnected. There will be a focus on developing good exam technique and the skills of analysis and evaluation. The discussion skills required for the 25 mark essays will also be developed whilst some of the knowledge of the Year 13 content will also be introduced in places where appropriate.</p>		
<p>Future Learning – Many of the concepts and principles link into other areas of the macroeconomics syllabus as they impact the ability of the economy to meet its macroeconomic objectives. All the knowledge and skills developed in Year 12 are relevant to Year 13 and provide the basis to developing a greater understanding of macroeconomics.</p>
