

Subject	Year	Term
Geography	9	Autumn term 1 FROM 2024-25
Topic		Concept
Will Global Trade ever be fair?		Interdependence and Inequality
Content + skills (Intent)		
Prior Learning (Topic) KS2: Similarities and differences of places (South America) Changing land use patterns Changing Economic patterns, including trade, distribution of food resources KS3 Balcarras: Urban Growth (Year 7), Sustainability of Balcarras and Charlton Kings (Year 7), Development and Population (Year 8), Ecosystems (Year 9)		
This Unit is under review. It will encompass key themes of economic activity in the primary, secondary, tertiary and quaternary sectors, and the use of natural resources. They will also understand how human and physical processes interact to influence, and change landscapes. Also, how human activity relies on effective functioning of natural systems. They will also learn about different levels of development and inequality. The problems of unfair trade such as sweatshops, and then solutions to make trade fairer.		
Future Learning (Topic) KS3 at Balcarras: Ecosystems, impact of people on Environments KS4 at Balcarras: Changing Economic World (Year 10), Urban Issues and Challenges (Year 10), Resources (Year 11) KS5 at Balcarras: Population and the environment (Year 13), Global systems and Governance (Year 12/13) Cross curricular links: Economics and Business studies GCSE and A levels
