

Subject	Year	Term
Health and social care	12	1-2
Topic		
FO90 Principles of health and social care (exam)		
Content (Intent)		
Prior Learning (Topic)		
FO90 is an externally assessed exam unit that comprises of four main topic areas: • Topic area 1 – Equality, diversity and rights in health and social care settings • Topic area 2 – managing hazards, health and safety in health and social care settings • Topic area 3 – Legislation in health and social care settings • Topic area 4 – Best practice in health and social care settings For those who have studied H&SC in KS4 there will be considerable amounts of relevant prior learning. For example: LO2 (Understand how legislation, policies and procedures promote health, safety and security in health, social care and childcare environments) – RO32 (Principles of care in health and social care settings) TA4 (infection control/safeguarding) LO4 (Know how to respond to incidents and emergencies in a health, social care or childcare environment) – RO32 TA4 (security measures/infection prevention)		
Future Learning (Topic)		
Learning acquired through the completion of FO90 will benefit the following future units: • F092 Person-centred approach to care • F093 Supporting people with mental health conditions • F096 Supporting people in relation to sexual health, pregnancy and postnatal health		
How will knowledge and skills be taught? (Implementation)	How will your understanding be assessed & recorded (Impact)	
This topic will involve a large array of pedagogy and include, but not limited to: • Teacher led lesson content • Group and independent quizzes/activities • Independent research • Seminar style discussions	• Practice assessment style work • Homework tasks • Group feedback on exam questions • Verbal responses. • Individual and class feedback	
How can parents help at home?		
Parents can help at home by supporting their child to meet their deadlines and ensure all work is completed to a high standard. They could also help by questioning their child about pertinent issues relevant to health and social care in the news and encouraging them to use subject specific vocabulary.
