

Subject	Year	Term
Spanish	10	Spring 2
Topic		
Family, relationships & new technologies		
Content (Intent)		
Prior Learning (Topic): School		
<p>Students will learn how to talk and write about: family relationships, friends, social media networks & other technologies & how to describe people</p> <p>Grammar: introduction to the present continuous tense; revision of reflexive verbs; using 'para' + infinitive; the difference between 'ser' & 'estar'; revision of negatives; the personal 'a'</p> <p>GCSE skills: listening & reading skills practice (papers 1 & 2) using past GCSE questions; speaking practice, with a focus on the general conversation part of the exam.</p>		
Future Learning (Topic): School		
How will knowledge and skills be taught? (Implementation)	How will your understanding be assessed & recorded (Impact)	
Flashcards & actions Repetition Games Youtube & songs Listening & reading activities	Regular vocabulary tests (about once a fortnight) Pupils will sit a GCSE style exam in reading & writing during their April mocks.	
How can parents help at home?		
<p>Parents can help through testing their children on vocabulary (for a detailed explanation see Autumn 1). They can also listen to their children's answers for the general conversation on school.</p> <p>Useful vocabulary learning websites include www.quizlet.com & www.memrise.com</p> <p>Revision workbooks which encourage independent study are available for purchase from the MFL dept. Grammar & translation workbooks are also available to purchase. These are particularly helpful for higher tier students for writing practice.</p>
