How can parents help at home?		
<p>Encourage regular revision of vocabulary at home. Pupils often find teaching their parents the structures and vocabulary they have learnt a good technique to reinforce their own understanding. Use independent study booklet. Direct learners to the resources available on the VLE for verification or if they think they are missing class notes. https://balcarras.fireflycloud.net/modern-foreign-languages/russian/year-8-russian/unit-2</p>
