CONSISTENTLY EXCELLENT DESTINATIONS

Each year 80%+ of our Year 13 students apply to go on to university, with over 50% securing places at Russell group universities annually, a number of whom secure places at Oxford and Cambridge. Many others secure enviable apprenticeship opportunities.

Balcarras' consistent record of excellence, both academically and pastorally, was recognised this year as we were awarded the accolade of The Sunday Times Schools Guide Southwest State Secondary School of the Decade.

All post-18 destinations are important to us – so regardless if you are seeking to go to university, an apprenticeship or to go into employment, you will receive all our support.

The school specifically plans reading to deepen pupils' knowledge of the subjects they study. For example, the sixth-form geography reading group discusses texts that are preparing them to think about concepts they may study beyond A level.

OFSTED May 2014

The sixth form offers a broad range of A-level subjects. Students learn widely around their subjects and engage with opportunities to enhance this. For example, many students complete the Gold Duke of Edinburgh's Award. They continue to their chosen pathways at a wide range of universities and institutions.

OFSTED March 2025

The sixth form is outstanding. The quality of teaching, leadership and what the school provides is exceptional. Students gain a very high standard in examinations.

OFSTED May 2014

They have many experiences with employers and providers of further education throughout their time at the school. For example, the 'boost' programme supports students to develop their confidence through giving presentations to employers in a formal setting.

OFSTED March 2025

Teachers are experts in their subjects.

OFSTED May 2014

Pupils and students actively take on roles of citizenship within the community. For example, working with the parish council, they support members of the community with computer skills or run a chess club.

OFSTED March 2025

Leadership and management of the sixth form are outstanding. Academic and pastoral support is woven into each day and students are consulted at regular intervals as to what would benefit their sixth form experience. Comprehensive procedures are in place to support students going on to university.

All students take 4 x A-level / L3 courses for the duration of Year 12

We firmly believe this model increases breadth of choice and opportunity post-18, develops rigour and study methods, and contributes hugely to successful student outcomes.

The combination of courses is up to you, and we create a timetable around your preferences.

We will offer plenty of advice though, tonight and in post-application consultations.

Some students trial 5 subjects in the first two weeks of September, capacity permitting.

Most students continue 3 subject in Y13, though a small number do continue with 4.

In your application, indicate 4 'Firm' subject choices, and 2 'Reserve' subject choices

A	B	C	D	E
Biology	Art	Applied Science	Biology	Art
Business	Business	Biology	Business	Biology
Chemistry	Computing	Chemistry	Chemistry	Drama
Drama	Geography	Economics	English	English
English	History	French	Food	Economics
Further Maths	Maths	Geography	Geography	Maths
History	Physics	Maths	Maths	Music
Health & Social Care	Product Design	Photography	Psychology	Physics
Physics	PE	Psychology	Russian	Politics
Product Design	Psychology		Phil & Ethics	
Psychology	Phil & Ethics		Textiles	
	Spanish			

Your choices are indications, which allow us to construct our timetable.

All subject choices will be discussed in pre-admission interviews.

Please do select 6 different subjects - 4 'firm' and 2 'Reserves' - and avoid repeating subjects.

Please note - these Option Blocks are to illustrate how you will select your options.

The 2025-26 blocks may differ from the 2024-25 illustration above.

Post-16 Application Subject Choices Matrix

<p>Enjoyment Which subjects do I most enjoy? Why?</p>	<p>Aptitude In which subjects am I progressing best? Why?</p>	<p>Aspiration Do I have particular career I aspire to? Most relevant subject choices (if any)?</p>
<p>Enjoyment Which subjects do I least enjoy? Why?</p>	<p>Aptitude In which subjects am I progressing least? Why?</p>	<p>Questions? Is there anything I want to ask the Sixth Form team?</p>

Look to select subjects that you like!

Look to select subjects that you are good at!

Be informed by future career aspirations, but don't be fixated!

Enrichment Curriculum includes:

- **Games & Enrichment**
- **Personal Development**
- **PHSE**
- **EPQ**
- **Speaker Sessions**
- **Lots of 'special events' like 'Balktoberfest'**

Performing Arts

**Theatre visits
School Productions**

**House Music
Christmas Concert
Midsummer Music**

**Orchestra
String, Wind & Brass ensembles
Boys Choir
Chamber choir
Y12 & Y13 Xmas Variety Show**

MFL

PRIVATE STUDY

STUDENT TESTIMONY

ENTRY REQUIREMENTS

- A minimum of 2 grade 6s and 3 grade 5s (full course GCSE).
- At least a 5 in mathematics and English (Literature or Language).
- The better your GCSE outcomes, the more choice you will have with your A-Level programme of study.
- Applicants who meet all the subject entry criteria for their chosen subjects will be offered their conditional place in line with our admissions policy.

ADMISSIONS AND OVER-SUBSCRIPTION

Each year, many students apply from schools other than Balcarras. The benefit they bring to the Sixth Form, both socially and academically, is immensely valued.

Our admissions policy guarantees that we will enrol a minimum of 50 students who have applied to join the Sixth Form from other centres.

In the event that more than 50 students wish to take up a place in Year 12, students will be allocated places based on the over subscription criteria set out on the school's website.

ADMISSIONS AND OVER-SUBSCRIPTION

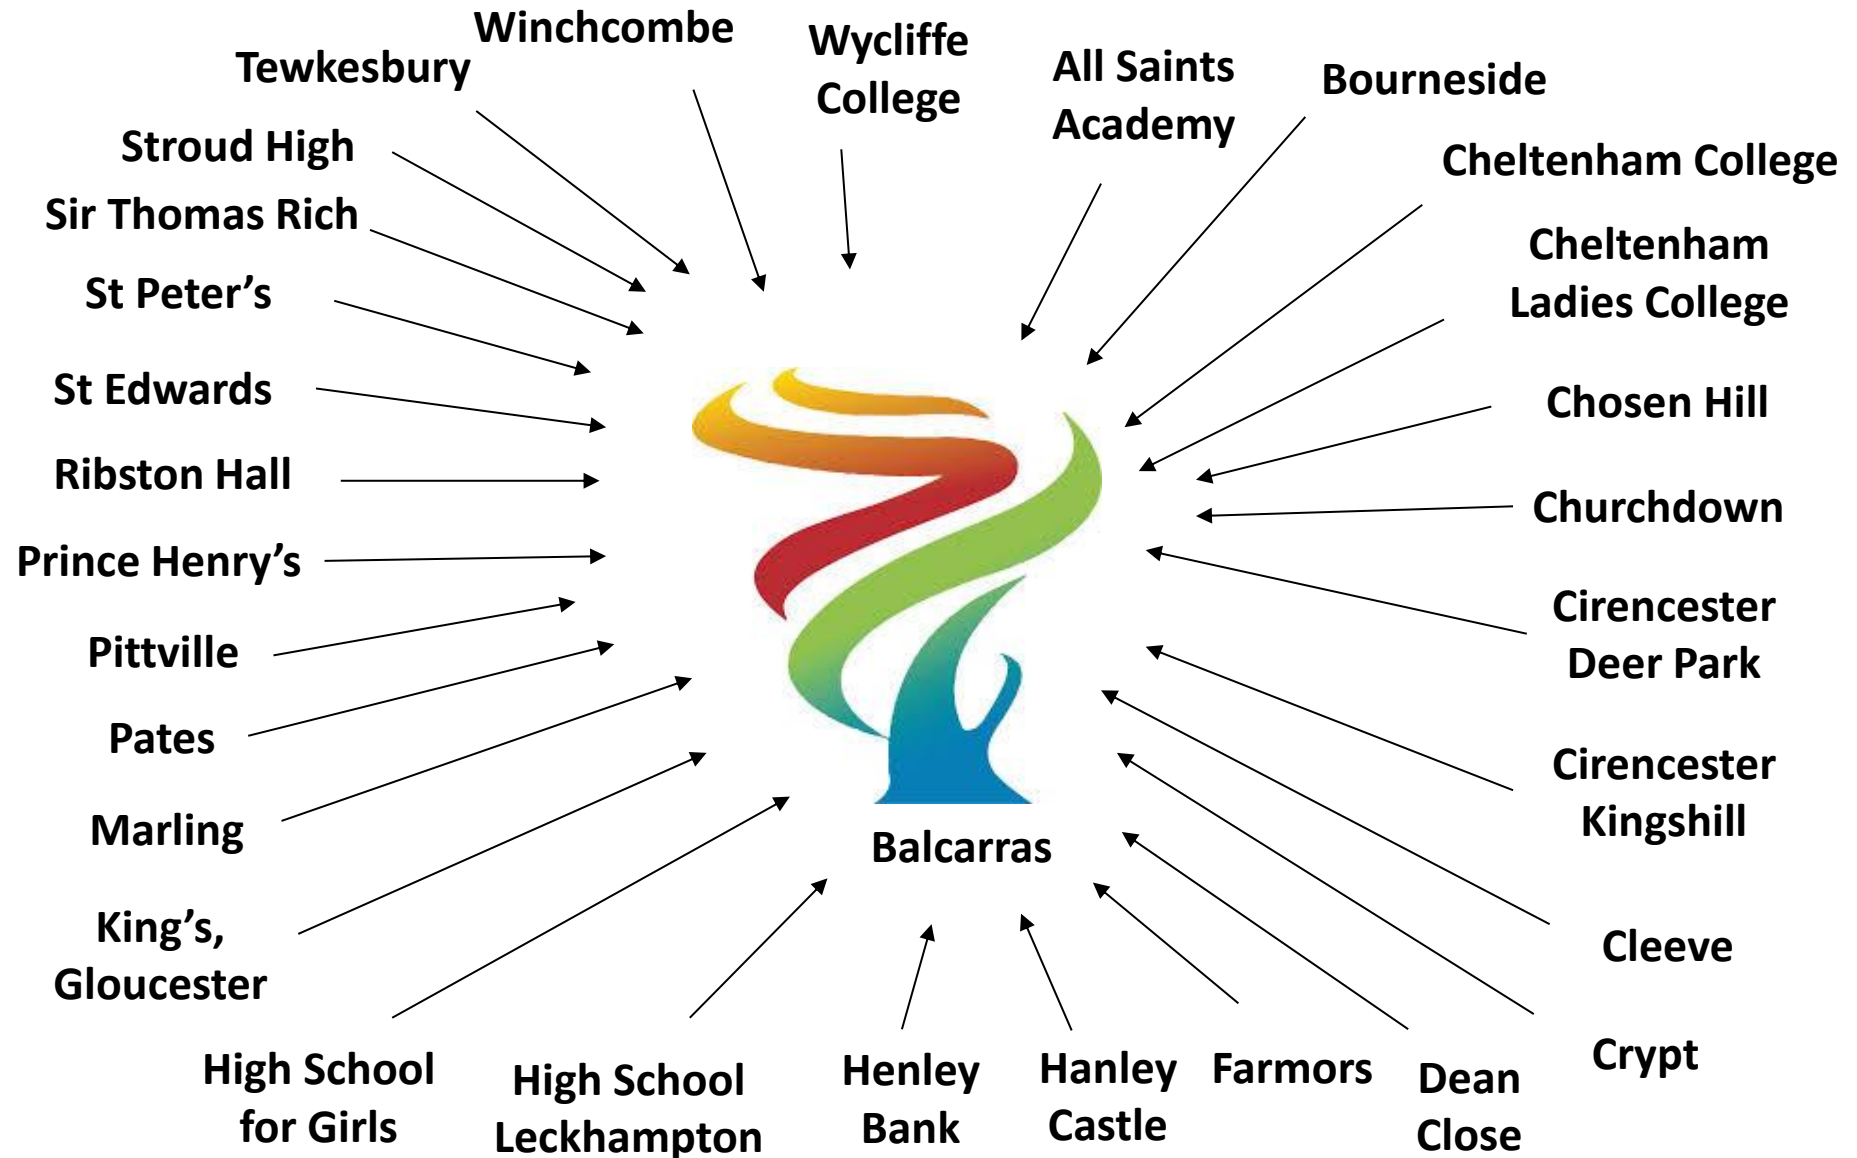

Our oversubscription criteria in a nutshell:

- **This applies to applicants from centres other than Balcarras;**
- **Students who have an EHCP or are / have been LAC are prioritised;**
- **Applicants will then be prioritised by the distance of their home address to Balcarras (data to be provided by GCC)**

Note: this applies to applicants who meet the entry criteria for their offer.

ADMISSIONS AND OVER-SUBSCRIPTION

OUR PROSPECTUS

Enjoy the Open Evening and visits to our subjects. Please take or download our new Prospectus. Please read it carefully, speak to our students and teachers, and get as much advice as you can. There is a lot more information on our website.

Course Consultation Meetings and Taster Day

We will invite all applicants to course consultation meetings to ensure that the choices are the best possible selection for success, after which conditional offers of admission will be made, along with invitations to our Sixth Form Taster Day in July 2026.

These conditional offers will be confirmed after the release of GCSE results in the autumn.

Applications

- Your application needs to reach us by **FRIDAY 6th February 2026.**
- We will do everything we can to give you your preferred four choices.
- All applications received **AFTER** this date will be placed on our waiting list.

Sixth Form Application Process: 2026 Admissions

Attend Balcarras Sixth Form Open Evening (no need to make an appointment)
Thursday 15th January 2026, 7-9pm

Spend some time thinking about your post-16 options and the subjects you wish to study, review the materials available on the Sixth Form tab of the school website, utilise your subject teachers, tutor and Sixth Form team for advice

Fill in the Sixth Form Application Form (this will be live the day after the open evening)
Deadline: Midnight on Friday 6th February 2026

Attend a consultation meeting with a member of the Sixth Form team or SMT (the date and time will be emailed to you nearer the time)
March/April 2026

Following a successful consultation meeting, receive a conditional offer letter detailing grades required
May 2026

Attend Sixth Form Induction day
Tuesday 30th June 2026

Receive results and confirm to Sixth Form that you would still like your place
Thursday 20th August 2026

First day of Year 12, Balcarras Sixth Form
Wednesday 2nd September 2026
