2. Budgets

2.1. Budget construction

The Chief Finance Officer is responsible for the detailed preparation of the annual budget. In doing this he/she consults with other members of staff to ascertain detailed requirements.

The Finance, Audit and Risk Committee determine the overall sum within which the budget must be set, and the amount of any anticipated balance to be carried forward into the following financial year.

In constructing the budget, the Chief Finance Officer takes account of priorities identified in the Trust Development Plan and incorporates the costs of these in the budget.

If the budget total exceeds the amount of the ESFA allocation, plus or minus any balance brought forward from the previous year, the Chief Executive Officer and Chair of Trustees inform the ESFA immediately this becomes apparent.

The Finance, Audit and Risk Committee meets at least three times a year. During these meetings the committee considers a broad budget strategy and considers and approves the detailed budget.

The full Trust body subsequently approves the full budget and minutes this approval.

The Chief Financial Officer informs the ESFA of the approved budget in writing, in a format determined by the ESFA. The Chair of Trustees signs the submitted budget.

In constructing the detailed budget, the Chief Finance Officer takes account of the following and all other known factors:

- Any anticipated changes in pupil numbers
- Current and previous years expenditure levels on individual budget headings
- Development Plan priorities
- Staff pay awards and increments
- Anticipated price inflation
- Changes in the staffing complement

Credit card receipts / invoices will be authorised by the Chief Financial Officer, who may seek further authorisations if the transaction is not of a routine nature.

Day to day operation of the petty cash account is the responsibility of the Chief Financial Officer.

Each time a reimbursement claim is submitted, the finance officer completes a reconciliation ensuring that cash expended, plus cash in hand or at bank, plus stamps held, equals the amount of the advance.

All members of staff who wish to purchase items from the petty cash account obtain prior approval from the Chief Executive Officer. Vouchers (receipts, paid invoices etc.) to evidence the payment are presented to the Finance Office by members of staff when reclaiming cash from the account. The finance office retain these vouchers.

In normal circumstances individual purchases from petty cash do not exceed £10. In exceptional circumstances payments up to £20 may be made, with the express prior approval of the Chief Executive Officer.
