

Our PTFA (Parents, Teachers and Friends Association)

Our PTFA is a committee whose purpose is to provide social opportunities for families and to raise money to support the School. The committee will organise a number of events during the school year to raise the funds. We may use these funds towards equipment and materials for departments and extracurricular clubs.

We welcome further support and assistance from parents either as a member of the committee or just helping for an hour or longer at one or more of the numerous events they hope to hold to raise funds. All meetings will be held at the school from 7pm on the following dates.

We welcome all.
